

VALUES

WE VALUE TEAMWORK

We are committed to an environment where team members are treated fairly and with respect, diversity is valued, and teamwork and leadership thrive. We are committed to maintaining a workplace where all individuals have the opportunity to expand their skills, and where accomplishments are recognized and rewarded.

WE DELIVER QUALITY

We strive for excellence in everything we do. Collectively, we apply our experience, intellect, and creativity to provide the highest level of quality to our clients. We ensure repeat clients by the value-added services we provide.

WE ARE HARDWORKING

With enthusiasm and diligence, we work to exceed our clients' expectations. We have the drive, determination, and patience to do whatever it takes to fulfill our clients' needs. Each contact with a client is an opportunity to increase customer satisfaction and create a client-for-life relationship.

WE ACT WITH INTEGRITY

As a company, and as individuals, we hold ourselves to a high standard of conduct. We honor our agreements and are honest in our communications. Our relationships with team members, clients and the community are based on openness, respect and opportunities for mutual gain.

WE CARE ABOUT OUR COMMUNITY

We care for our fellow team members, our families and the community around us. MBP positively affects the community through the application of our services and through charitable contributions.

WE ARE FORWARD LOOKING

We prepare for the future growth of MBP through careful planning, enthusiasm, hard work, and optimism. Our Team strives for professional and personal development through education, on the job training, and communication. We embrace new ideas and technologies by approaching our work with a passion for innovation and a desire to take advantage of new opportunities.
